# What's an Awesome List?

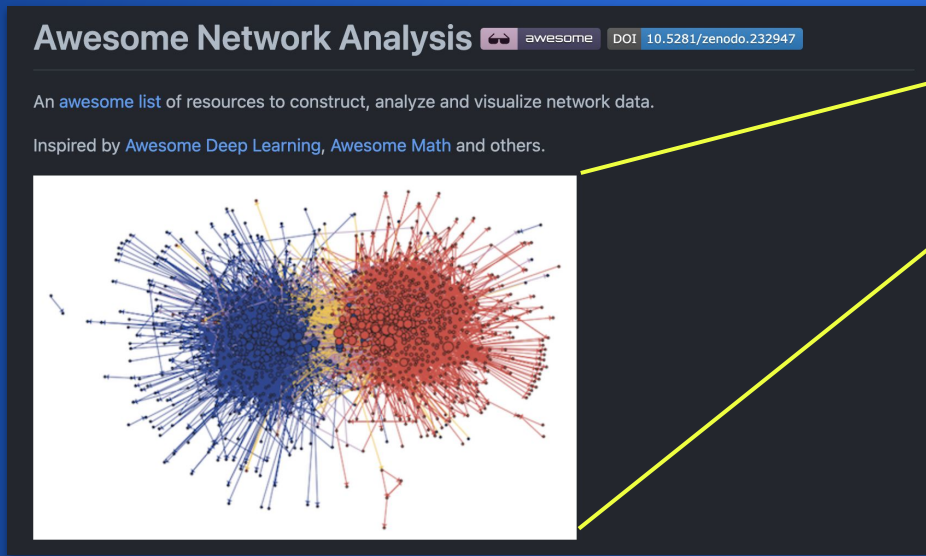

*An awesome list is  
a list of awesome things curated  
by the community.*

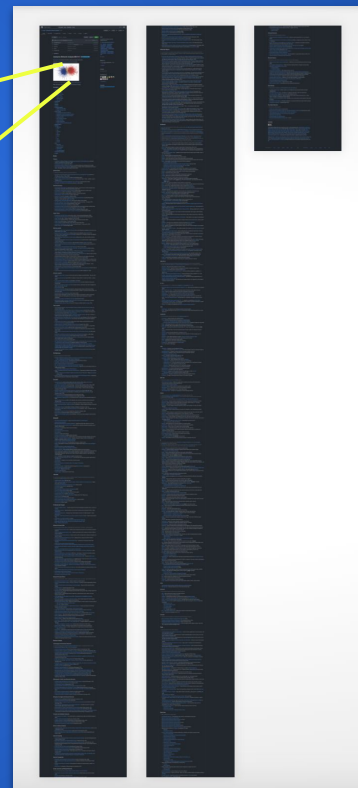

There are currently > 4,000 Awesome  
Lists on github!

925  
Resources!

I want it all... I want it all... And I want it now

925 of awesome  
professionally  
curated resources

**FOAWESOME**

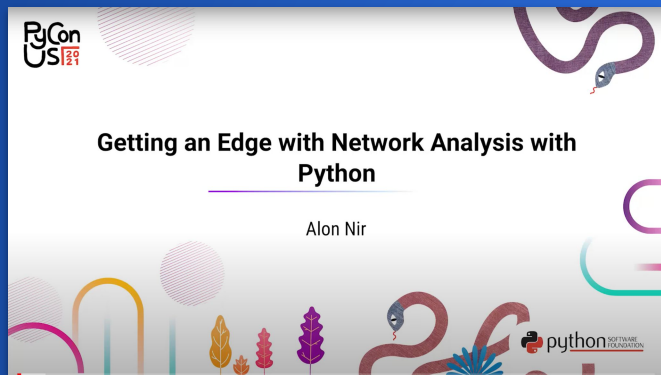

Fear of missing  
something awesome

(The acronym checks out, trust me)
